

ARTIST PORTFOLIO

Presented by: Barbie Bates

ABOUT ME

Passionate artist with versatile skills in drawing and painting. Bachelor's degree in Business Entrepreneurship. Professional experience in real estate and interior design. Specialize in oil, watercolor, and acrylic mediums. Explore my artwork here for visually appealing and inspiring pieces.

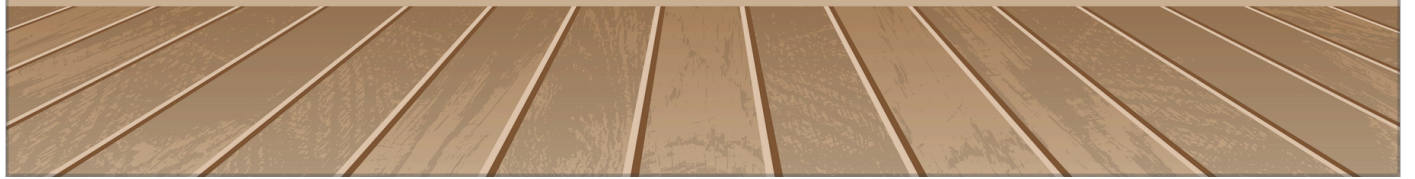

Throughout my professional career, I have continued to create and sell artwork regularly. Recognizing the opportunity to combine my artistic abilities with my experience in real estate and interior design, I began staging properties for sale with a unique artistic touch.

Explore my artwork here for visually appealing and inspiring pieces.

INSPIRED BY

Nature and Beyond

SKILLS

Color Theory

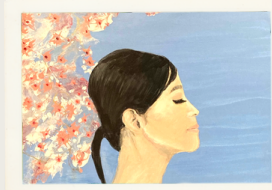

There is a psychological impact of colors that ultimately impacts visual design and communication.

Composition

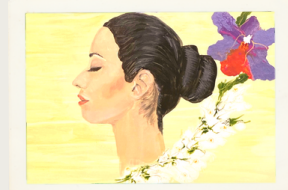

Composition of an art piece can evoke specific emotions, meanings, or stories. It is helpful when completing a room design that fits with the style you are looking to convey.
